Don't forget to Ask About Our Global Sourcing...

Schuster Electronics, Inc. is a successful electronic component distributor excelling in design support, unlimited sourcing capabilities, value-added capabilities, and flexible inventory services.

COMMITMENT... Established in 1904, Schuster Electronics, Inc. is privately held and still owned by a Schuster descendant, Ted Ludeke. Our headquarters is located in Cincinnati, Ohio and Value-Added Service and Distribution Center in Twinsburg, Ohio. Sales and Product Management serve customers out of each location.

STABILITY... The tenure of an average Schuster professional exceeds 15 years!

FLEXIBILITY AND SPEED OF RESPONSE... While Schuster has physical sales presence in the markets of Ohio, Michigan, Pennsylvania, Indiana, Kentucky, and Florida we successfully accommodate customers nationally, internationally, and coordinate services for customers with multiple locations. We definitely fit the description of a "speedboat" as opposed to an aircraft carrier. We are recognized as best in class by many of our customers when it comes to special customer requirements and programs, as well as traditional distribution services.

OFFSHORE SOURCING SOLUTIONS AND BROAD PRODUCT ACCESSIBILITY... In addition to representing over 75 franchised manufacturers, Schuster offers nearly a decade of experience and expertise in the offshore sourcing of components through our dedicated Blue Wave division.

WAREHOUSE & LOGISTICS... AS9120 compliant; ISO 9002 compliant; Same day shipments; Backorders ship same day product is received; Continuous inventory cycle counts; and Customer inventory management services. We pride ourselves on getting the right product, to the right place, at the right time.
